BEBIDAS EMBRIAGANTES, DROGAS Y/O SUSTANCIAS CONTROLADAS
(WARNINGS TO A PERSON UNDER THE INFLUENCE OF ALCOHOL, DRUGS OR CONTROLLED SUBSTANCES)

I have probable cause to believe that you are driving or operating a motor vehicle under the influence of:

- Alcoholic Beverages
Drugs or Controlled Substances.

I have probable cause to believe that you:
Remain on foot on a public road.
Horseback riding under the influence of alcoholic beverages, drugs or controlled substances.

1. Es mi deber advertirle que usted tendrá que someterse al análisis (aliento) o los análisis (sangre) que le sean requeridos, para determinar de esta forma el contenido de alcohol en su organismo, o una prueba de orina para detectar la presencia de drogas o sustancias controladas.

(It is my duty to warn you, that you will have to undergo a breath test or blood analysis, required to determine the alcohol content in your body, or a urine test to detect the presence or drugs or controlled substances.)

2. Si los resultados del análisis para alcohol fueren negativos, el miembro del Negociado de la Policía de Puerto Rico (MNPPR) podrá someterle a pruebas de campo para determinar si es necesario el análisis final de una muestras de orina o de sangre que comprobará si usted ha estado manejando o no, bajo los efectos de drogas o sustancias controladas.

(If the results of the alcohol analysis are negative, the police officer may submit you to a field test to determine if a urine or blood analysis is necessary to prove that you have or have not been driving under the influence of drugs or controlled substances.)

3. Si usted se negare, objetara, resistiese, o evadiese el someterse a cualquiera de estas pruebas que se le soliciten, será arrestado con el fin de trasladarle a una facilidad médico-hospitalaria para que le sean extraídas las muestras pertinentes. Se le advierte, en caso de usted negarse, se procederá a buscar una orden emitida por un juez para que ordene tomarle las muestras y de no hacerlo se considerará un desacato al tribunal.

(If you refuse, object, resist or evade submitting yourself to any of tests that are required, you will be arrested with the sole purpose to transfer you to a medical facility to have the pertinent samples extracted. You are warned in the event that you refuse, a court order emitted by a judge will be obtained ordering you to submit the samples, if you don't comply this will be considered a contempt of court.)

I understand the warnings mentioned above.
